RE: New Majority California Federal PAC, ID #C00387274

Dear Mr. Morse:

We are in receipt of your September 6, 2006 correspondence regarding the above referenced political committee. Your letter questions why the Committee discloses no payments for administrative expenses.

Please note that the Committee discloses payments for legal and accounting services, the only administrative expenses incurred. The payments are itemized on Schedule B, Line 21(b). In addition, if the amount owed by the Committee at the close of a reporting period is \$500 or more and not yet paid, the debt is disclosed on Schedule D.

Your letter also notes that if expenses are being paid by a connected organization, the Statement of Organization must be amended to reflect this relationship. Please note that the Statement of Organization does disclose a relationship with a connected membership organization. However, the Committee pays its own administrative expenses.

Sincerely,

Jason D. Kaune
Treasurer
